

WORKSHEET OUTPOST | Kindergarten Math

Numeral practice: eleven and twelve

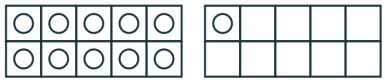

OW-K-068 | Five questions

Success criteria
I can write the number and show a group that matches it.

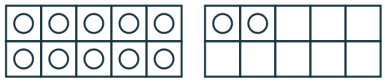

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

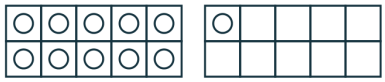

1. Count the dots. Write the number. A full ten-frame holds 10 dots.

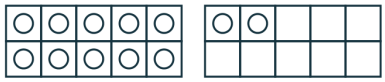

2. Count the dots. Write the number. A full ten-frame holds 10 dots.

3. Count the dots. Write the number. A full ten-frame holds 10 dots.

4. Count the dots. Write the number. A full ten-frame holds 10 dots.

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
