

WORKSHEET OUTPOST | Kindergarten Math

Explain a counting answer

Success criteria
I can start at a number and count on from there.

OW-K-028 | Five questions

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. Jo counts 11, 12, 14. Which number did Jo skip? Explain.

2. Jo counts 13, 14, 16. Which number did Jo skip? Explain.

3. Jo counts 15, 16, 18. Which number did Jo skip? Explain.

4. Jo counts 17, 18, 20. Which number did Jo skip? Explain.

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
